

MORGAN D. SANGER

Curriculum Vitae

Doctoral Candidate
Dept. of Civil & Environmental Engineering
University of Washington
3760 E Stevens Way NE, Seattle, WA 98195

+1(206)743-1587
sangermd@uw.edu
<https://sangermd.github.io/website>
Last updated: August 20, 2026

EDUCATION

Doctor of Philosophy, Civil Engineering

University of Washington, 2022 - Present (expected June 2027)
Advisor: Professor Brett W. Maurer
Certificate in Data Science

Master of Science, Geological Engineering

University of Wisconsin-Madison, 2019
Advisor: Professor Matthew Ginder-Vogel

Bachelor of Science, Geological Engineering, Geology & Geophysics

University of Wisconsin-Madison, 2017
Certificate in Engineering for Energy Sustainability
Certificate in Environmental Studies

PROFESSIONAL EXPERIENCE

Research & Teaching Assistant

Dept. of Civil & Environmental Engineering, University of Washington, 2022 - Present
Dissertation: AI-driven geospatial modeling for regional-scale coseismic hazard and impact assessments
Courses: CEE415: Machine Learning for Civil Engineers (1 quarter), Teaching Assistant & Visiting Lecturer
ENGR521: Machine Learning for Engineering Project (1 quarter), Grader
CESG599: Soil Dynamics and Geotechnical Earthquake Engineering (1 quarter), Visiting Lecturer

Visiting Scholar

Norwegian Geotechnical Institute, 2024 - 2025

Geotechnical Engineer

Shannon & Wilson, Inc., Seattle, WA, 2019 - 2023

Research & Teaching Assistant

Dept. of Civil & Environmental Engineering, University of Wisconsin-Madison, 2018 - 2019
Thesis: Chemistry of recycled concrete aggregate leachate in pavement base course applications ([Thesis](#))
Courses: CIVENGR330: Soil Mechanics (3 semesters), Teaching Assistant
CIVENGR291: Problem Solving with Computer Tools (1 semester), Teaching Assistant
GEO455: Advanced Structural Geology (1 semester), Grader
GEO202: Introduction to Structural Geology (1 semester), Grader

PROFESSIONAL CREDENTIALS

- | | |
|--|---------------------------------------|
| • Professional Engineer-Civil , AK, CE 199699 | • FAA-certified Remote Pilot, 4445843 |
| • Professional Engineer-Civil , CA, C 94186 | • Geologist-in-Training, WA, 20120256 |
| • Professional Engineer-Civil , WA, 22021354 | • LEED AP BD+C, 0011101313 |

HONORS & AWARDS

Helene M. Overly Memorial Graduate Scholarship, *WTS Puget Sound*, 2026
IDEAAL DR2 Fellow, *University of Washington Center for Disaster Resilient Communities*, 2026
Learning from Earthquakes Travel Study, *Earthquake Engineering Research Institute*, 2025
NextProf Nexus Workshop, Selected Participant, *University of California-Berkeley, Berkeley, CA*, 2025
2024-2025 EERI/FEMA NEHRP Graduate Fellowship, *Earthquake Engineering Research Institute*, 2024
Earthquake Spectra 2023 Outstanding Paper Award, *Earthquake Engineering Research Institute*, 2024
3rd Place, *ASCE Geo-Congress National Poster Competition, Vancouver, BC*, 2024
Herbold Data Science Fellow, *University of Washington College of Engineering*, 2023-2024
1st Place, *National Highway Geology Symposium Poster Competition, Tacoma, WA*, 2023
Thomas Wysocky Civil Engineering Scholar, *Deep Foundations Institute*, 2023
Shannon Memorial Fellow, *University of Washington Dept. of Civil & Environmental Engineering*, 2023
Industry Advancement Scholar, *International Association of Foundation Drilling*, 2023
Osberg Recruited Fellow, *University of Washington College of Engineering*, 2022-2023
Early Excellence in Teaching Award, *University of Wisconsin-Madison*, 2019
Haimson Outstanding Graduate Student, *University of Wisconsin-Madison Dept. of Geol. Engineering*, 2018
1st Place, *University of Wisconsin-Madison Bryson Poster Competition, Madison, WI*, 2018
1st Place, *University of Wisconsin-Madison Bryson Poster Competition, Madison, WI*, 2017
John Dickinson Award, *Barr Engineering, Inc., Minneapolis, MN*, 2017
1st Place, *Institute on Lake Superior Geology Student Poster Competition, Wawa, ON*, 2017
Wisconsin Idea Fellow, *University of Wisconsin-Madison Morgridge Center for Public Service*, 2016-2017
Wisconsin Idea Fellow, *University of Wisconsin-Madison Morgridge Center for Public Service*, 2015-2016
Severson Undergraduate Student Award, *University of Wisconsin-Madison Dept. of Geol. Engineering*, 2016
Outstanding Sophomore Award, *University of Wisconsin-Madison Dept. of Geoscience*, 2015
Thermo Fisher Scientific STEM Scholar, *Thermo Fisher Scientific, Madison, WI*, 2013-2017
Wisconsin Academic Excellence Scholar, *Wisconsin Higher Educational Aid Board*, 2013-2017

PUBLICATIONS

JOURNAL ARTICLES

- Sanger, M.D.,** & Maurer, B.W. (In Review). A U.S. national soil velocity model based on machine learning of geospatial information. *Soil Dynamics & Earthquake Engineering*. ([Journal Paper](#))

GRANTS & FUNDED RESEARCH

2025 Learning from Earthquakes Travel Study Travel Grant. \$2,000

2025 University of Washington Graduate Student Conference Presentation Travel Grant. \$500

2024-2025 EERI/FEMA NEHRP Graduate Fellowship in Earthquake Hazard Reduction. \$12,000

2024-2025 Valle Scandinavian Research Exchange Fellow. \$111,000

2024 ASCE Geo-Institute Travel Grant, National Student Poster Competition, Vancouver, BC. \$500

2023-2024 Herbold Data Science Fellow. \$10,000

2022-2023 Osberg Recruited Fellow. \$100,000

2015-2017 Wisconsin Idea Fellow. \$14,000

2013-2017 Thermo Fisher Scientific STEM Scholar. \$20,000

SERVICE & LEADERSHIP

Secretariat, EERI Learning from Earthquakes Virtual Earthquake Reconnaissance Team, 2026 - Present

Editorial Board, Next Generation Liquefaction Database, 2026 - Present

Research Computing Club Officer, University of Washington, 2025 - Present

Journal Peer Reviewer

- ASCE Journal of Geotechnical and Geoenvironmental Engineering
- Earthquake Spectra
- DFI Journal

Conference Peer Reviewer, 13NCEE; 2025 Geo-Extreme; 2025 NHERI GSC Mini-Conference; 2025 DFI 50th Annual Conference on Deep Foundations; 2025 International Symposium for Geotechnical Safety and Risk; 2025 Geotechnical Frontiers; 2024 NHERI GSC Mini-Conference; 2022 Geo-Congress; 2022 DFI 47th Annual Conference on Deep Foundations.

Graduate School Panel for Undergraduates Moderator, University of Washington, 2026

AI in the STEM Workforce Panelist, Seattle University, 2025

INSIGHT High School STEAM Outreach, Seattle, WA, 2024

Orcas Elementary School Geology Outreach, Seattle, WA, 2024

University Outreach Coordinator, EERI Student Leadership Committee, 2023 - 2024

EERI Student Chapter President, University of Washington, 2023 - 2024

College of Engineering Student Council, University of Washington, 2023 - 2025
Geo-Institute Graduate Student Society (GIGSS) President, University of Washington, 2023 - 2024
Engineering Discovery Days K-12 Outreach, University of Washington, 2023
GIGGS Board Member, University of Washington, 2022 - Present
Younger Member's Forum Board Member, ASCE Seattle Section, 2020 - 2022
Sustainability Committee Chair, ASCE Seattle Section, 2020 - 2022
Entry-Level Civil Engineering Workforce Panelist, University of Washington, 2019
GIGGS Board Member, University of Wisconsin-Madison, 2018 - 2019
Eva the Engineer K-12 Outreach Coordinator, University of Wisconsin-Madison, 2015 - 2017
Wisconsin Rocks K-12 Outreach Coordinator, University of Wisconsin-Madison, 2015 - 2016

PROFESSIONAL DEVELOPMENT

Quantum Hackathon with IBM Quantum x RCC, *University of Washington*, 2026
Investigations in Disasters and Emergencies: Advancing Applied Learning in Disaster Research Response Fellowship Workshop, *University of Washington*, 2026
Teaching Online 101: Essentials of Effective Online and Hybrid Teaching, *University of Washington*, 2026
End-to-End AI for Science Bootcamp, *National Energy Research Scientific Computing Center*, 2025
Learning from Earthquakes Travel Study, *Earthquake Engineering Research Institute*, 2025
NextProf Nexus Workshop, *University of California-Berkeley, University of Michigan, Georgia Tech*, 2025
Preparing Future Faculty 2025 Workshop, *Auburn University*, 2025
AI+Teaching: Using AI to Advance Learning, *University of Washington*, 2025
Teaching@UW: Strategies for Teaching Assistants, *University of Washington*, 2025
NASA Earth Sciences & UW Hackweek, *University of Washington*, 2024
NHRI and AI Computational Academy, *Texas Advanced Computing Center*, 2024
AI, Disruptive Technology, & the Future of Engineering, *American Council of Engineering Companies*, 2023
GeoSMART Hackweek, *University of Washington*, 2023
Deep Learning in Python, *University of North Carolina at Chapel Hill*, 2023
Data Science Conference, *Women in Data Science Puget Sound*, 2023
Rock Blasting and Overbreak Control, *Konya Industries*, 2022
Seepage Through Embankment Dams, *Association of State Dam Safety Officials*, 2021
Making the Case for Sustainable Infrastructure, *American Society of Civil Engineers*, 2020
Morgridge Entrepreneurial Bootcamp, *University of Wisconsin-Madison*, 2018

PROFESSIONAL AFFILIATIONS

Member, Earthquake Engineering Research Institute (EERI)
Member, American Society of Civil Engineers (ASCE)
Member, Association of Engineering Geologists (AEG)
Member, Deep Foundations Institute (DFI)
